There have been reports of stolen vehicles. Please lock your vehicle, and don't start your car to warm it up and leave it running, which makes it easy to steal.

If your vehicle is stolen or broken into, report it right away: 301-352-1200. To give information on a crime, call 866-411-8477. (TIPS)

Greater Riverdale Town Hall Meeting

On Saturday, March 14, from 10 a.m. to 1 p.m. a breakfast meeting will be held to vote on community projects that should be funded. The meeting will be held at 6811 Kenilworth Ave, Riverdale, MD, 20737 (Near Goodluck Road).

Childcare will be available, and the event will be bilingual in English and Spanish.

Census 2020 begins in March. Please be a part of it.

Households will be able to respond to the census online, over the phone, or through a paper questionnaire. The census counts the number of people staying in each household. The questionnaire will be available in various languages.

Why?

- It helps decide the accurate amount of funding that should be going to each community
- It helps decide how many representatives our state will have in Congress
- It is confidential. No one can access or report your information by law
- There are no questions about citizenship or documentation

The government is hiring census workers. Earn $22 per hour. Apply online: https://2020census.gov/en/jobs

Construction begun on new playground!

If you wander through the park, you will notice that the old equipment is gone, in preparation for the new and much-improved equipment being installed by MNC-PPC! Can't wait to see what the new park will be like!

Neighbor of the Month:

Michael and Dorothy Driggers are the great neighbors of the month. They have been helping with every event and project in the community since moving here. Mike also serves on the Board, as treasurer. When neighbors are in need, they voluntarily help out, with rides, meals or skilled work. The Driggers will receive $25, and the thanks of all our community!

Dog Safety:

Due to safety of neighbors and other dogs please report any unleashed dog to 311 or the Animal Control, 301-780-7200.
