West Lanham Hills residents were shocked to hear about a sudden push by 6 of the 10 County Councilmembers to impose a drastic redistricting plan in spite of the "least change" plan provided by the impartial Redistricting Commission. With no warning to our district councilperson and three others, this plan was introduced and forced through, without public input, ignoring the protests of those representing those districts. A press conference held in College Park on Monday, Oct. 18 showed massive public outrage at the six councilmembers high-handed tactics.

A public hearing on the proposed plan will be held Nov. 16. All are asked to attend and to voice your concerns. Also, please contact the county councilmembers by phone or email. A complete report and the list of all email addresses and phone numbers is listed on our website: www.westlanhamhills.com.

Happy Halloween!

For Halloween, let's keep healthy and safe!

1. Stay masked and outdoors.
2. Practice social distancing.
3. Only give out items that are wrapped or packaged.
4. Those who welcome Trick or Treaters, please leave your porch light on. Give treats in a safe manner.

Vaccinations Update:

The second vaccination date for our community has been cancelled. Of those attending the first dose vaccination, most were receiving a second dose or booster, so a follow up visit is not needed. If you would like to schedule a vaccination or booster shot, please contact:
